

Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The City of Chandler has prepared its Annual Action Plan (AAP) for Program Year (PY) 2021-2022 that details the available resources and activities related to the Community Development Block Grant (CDBG) program. The City of Chandler receives an annual entitlement allocation of CDBG funds from the United States Department of Housing and Urban Development (HUD). The City of Chandler also receives HOME Investment Partnerships funds (HOME) from Maricopa County, which is the “lead agency” for the Maricopa County HOME Consortium (HOME Consortium). The City of Chandler is a participating member of the HOME Consortium, and receives an annual allocation of HOME funds. Chandler HOME-funded activities are included in Maricopa County’s Annual Action Plan. These programs represent affordable housing and community development investments in decent, safe, and affordable housing, suitable living environment, and expanded economic opportunities.

The Annual Action Plan defines one-year activities for PY 2021-2022 in relationship to the five-year goals and objectives of the City's 2020-2025 Consolidated Plan. In order to receive these federal funds, the City of Chandler is required to submit a Five-Year Consolidated Plan and Annual Action Plan for HUD approval. The Consolidated Plan contains a strategic plan for addressing affordable housing, community development, supportive housing, and homeless needs within the Chandler community, and a specific one-year action plan for the use of these HUD Resources. The Consolidated Plan contains priorities, goals, performance outcome objectives, and implementation strategies for each of the Plan’s elements. The Annual Action Plan is a one-year plan that describes the activities that will be conducted to address the needs described in the Consolidated Plan. The PY 2021-2022 Annual Action Plan is the second year of the current Five-Year Consolidated Plan.

HUD released PY 2021-2022 annual allocation information on February 15, 2021. The City of Chandler is required to submit its Annual Action Plan for PY 2021-2022 to HUD on or before May 15, 2021.

2. Summarize the objectives and outcomes identified in the Plan

The goal of the CDBG program is to develop viable communities by providing decent housing and a suitable living environment, and by expanding economic opportunities, principally for persons with low and moderate income. Funds support a wide range of community development activities directed toward revitalizing neighborhoods, economic development, and providing improved community facilities and services. These goals are further explained as follows:

- Providing decent housing means helping persons experiencing homelessness obtain appropriate housing and assisting those at-risk of homelessness; preserving the affordable housing stock; increasing availability of permanent housing that is affordable to individuals with low and moderate income without discrimination; and increasing the supply of supportive housing.
- Providing a suitable living environment entails improving the safety and livability of neighborhoods; increasing access to quality facilities and services; and increasing housing opportunities for individuals with low income.
- Expanding economic opportunities involves creating jobs that are accessible to individuals with low and moderate income; making down payment and closing cost assistance available for persons with low and moderate income; promoting long-term economic and social viability; and empowering persons with low income to achieve self-sufficiency.

3. Evaluation of past performance

The City of Chandler's evaluation of its past performance has been completed with the Consolidated Annual Performance and Evaluation Report (CAPER). This report states the objectives and outcomes identified in each year's Annual Action Plan and includes an evaluation of past performance through measurable goals and objectives compared to actual performance. The CAPER can be found on the City's website at:

<https://www.chandleraz.gov/residents/neighborhood-resources/community-development/plans-and-reports>

4. Summary of Citizen Participation Process and consultation process

Throughout the development of the City of Chandler's Annual Action Plan for Fiscal Year 2021-2022, the City provided several opportunities for public input and comment. The City conducted two public hearings during public meetings of the Housing and Human Services Commission; one was held on February 10, 2021 (virtually) prior to the development of the Annual Action Plan, and a second public hearing was held on April 7, 2021 (in-person and virtually) to solicit comments after the development of the draft Annual Action Plan. As allowed through HUD waivers and the City's Citizen Participation Plan, the public hearings were held virtually. The virtual hearings allowed for open public access to the public meetings while allowing for social distancing recommendations, facilitated public access to all questions and responses, and allowed for timely responses from Community Development staff. The platform used for the public hearings ensured equal access and opportunity for all residents to participate in the process.

There was a 30-day public comment period from March 22, 2021 to April 20, 2021. The public hearings and public comment period were announced through an advertisement in the Arizona Republic, posted on the City's website and social media, and was posted in public locations including the City Clerk's office, and the Neighborhood Resources Department office. The public hearing notice included the meeting location, date, time, key staff contacts, topics to be considered, and the beginning and ending

dates of the public comment period. The notice also included information for citizens requesting reasonable accommodations for a disability. In addition to commenting at the public hearing, citizens were invited to submit written comments to the Neighborhood Resources Department by mail, phone or email at community.development@chandleraz.gov. Public comments received during the public comment period will be incorporated into the final Annual Action Plan submitted to the U.S. Department of Housing and Urban Development. Final approval from the Chandler City Council is scheduled for April 22, 2021.

5. Summary of public comments

No comments were received prior to the 30-day public comment period. Comments received at the April 7, 2021 public hearing or during the public comment period will be incorporated into the final Annual Action Plan.

6. Summary of comments or views not accepted and the reasons for not accepting them

No comments were received.

7. Summary

This plan continues to focus on efforts to address affordable housing, housing and non-housing community development needs, supportive housing, and homeless needs in the Chandler community. The plan also incorporate a comprehensive and coordinated strategy for implementing programs that utilize CDBG and HOME funds.

Throughout the development of the City of Chandler's Annual Action Plan for Fiscal Year 2021-2022, the City provided several opportunities for public input and comment. The City held two virtual public hearings to discuss available resources and community needs and priorities - one with the HHSC on February 10, 2021 and a second with the HHSC on April 7, 2021. City staff also conducted a virtual public meeting and application workshop in October, 2020. Each of these meetings were held virtually due to the coronavirus pandemic. The public was invited to attend in person or with the option to join virtually for the public hearing held on April 7, 2021. These meetings did not elicit significant feedback; however as the City received applications for both HUD-funded and General Fund activities, the community made clear those activities that were most important and workable during the coming year.

The City held a public comment period on the draft Annual Action Plan from March 22, 2021 to April 20, 2021, and the draft was available for review at the Neighborhood Resources Department or online at <https://www.chandleraz.gov/residents/neighborhood-resources/community-development/plans-and-reports>. Expected Resources

AP-15 Expected Resources - 91.420(b), 91.220(c)(1,2)

Introduction

The City of Chandler receives Community Development Block Grant funding from the United States Department of Housing and Urban Development (HUD) as an 'entitlement community' and is the CDBG lead agency; funds are received based on an annual formula.

The City also receives HUD HOME funding as a member of the Maricopa County HOME Consortium (HOME Consortium). The HOME Consortium is a legal entity created through an intergovernmental agreement between Maricopa County, the Cities of Avondale, Chandler, Glendale, Peoria, Scottsdale, Surprise, Tempe and the Town of Gilbert. Each HOME Consortium member receives a pro rata share of funds and uses them to meet the needs of their community. The County's Five-Year Consolidated Plan and Annual Action Plans also include the housing needs and activities of Chandler.

Numerous local resources leverage HUD funding to address the needs of Chandler residents. Local funds are allocated through an annual grant process.

- *Social Services Fund.* Each fiscal year, the City allocates funding to nonprofit agencies that provide supportive public services to Chandler residents with low and moderate income.
- *Acts of Kindness Program.* The Acts of Kindness (AOK) donation program was developed in July 2000 to give residents an opportunity to voluntarily contribute \$1 with their utility payment each month. AOK supports public service programs that provide basic needs such as food, shelter, clothing, medical services and transportation to Chandler residents with low and moderate income.
- *Youth Enhancement Program.* The Youth Enhancement Program supports the development and operation of programs for youth activities, scholarships, sports activities, mentoring, intervention and learning programs.
- *Veteran's Transportation.* The Veteran's Transportation Program funds agencies that provide transportation to service centers and other locales for Veterans with low income.

Additional local funds are used to leverage funding by supporting staff and resources within the Neighborhood Resources Department including

services to individuals experiencing homelessness.

Federal funds, including those administered by the State of Arizona such as the Low Income Housing Tax Credit Program and National Housing Trust Fund as well as Public Housing and Section 8 (Housing Choice Voucher) programs are critical resources to leverage CDBG and HOME funds.

The City of Chandler also applies for other state and foundation funding to leverage these local and federal funds.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

Social Services, Youth Enhancement, Veteran's Transportation and Acts of Kindness Fund leverage federal funds for public services activities. Local bond funds supplement federal funding for capital improvements projects. HOME matching requirements are met on a project by project

basis, with all match funds currently retained by Maricopa County.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City of Chandler owns five public housing sites, 103 scattered site houses and several vacant parcels of land. In the next few years, these assets may be considered for potential development or redevelopment to increase affordable housing opportunities for Chandler residents with low and moderate income.

Table 7 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City annually issues an RFP to distribute funding to nonprofit and City departments that may utilize CDBG funds to address priority needs. The City requires grantees to include a performance measurement strategy in funding proposals to demonstrate that proposed services will enhance the lives of City residents and meet identified needs. The strategy quantifies long- and short-term goals, activities, outputs and outcomes. It includes client demographics, projections of the number of individuals and households that will be served, and annual unit-of-service projections. The primary obstacle to addressing underserved needs is insufficient funding and limitations of funding sources. In addition, many nonprofit agencies serve multiple jurisdictions in the region and few are dedicated solely to providing services in Chandler.

AP-50 Geographic Distribution - 91.420, 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The City of Chandler consists of approximately 65 square miles and shares boundaries with the Town of Gilbert, Cities of Mesa, Phoenix, and Tempe, and the Gila River Indian Community. Chandler has reached its physical geographical limits, with the exception of a few remaining County islands. Downtown Chandler and several neighborhoods in zip codes 85224 and 85225 are long-established and have higher concentrations of low and moderate income and minority households. There are 11 Census Block Groups where at least 51% of the population is low and moderate income, and another 26 where at least 36.68% of the population is low and moderate income; these are Community Development Block Grant-eligible areas.

Pursuant to the specific projects identified in AP-35, the commitment of CDBG funding will be based primarily on low and moderate income requirements of clients assisted, special needs and those experiencing homelessness. Code enforcement provides area benefit and is targeted in CDBG-eligible areas.

Geographic Distribution

Target Area	Percentage of Funds
Citywide	89
CDBG Eligible Areas	11

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Resources will be committed pursuant to input received from citizens, stakeholders and providers during the development of the 2019 Community Needs Assessment. Public services are allocated throughout the City based on an individual's income eligibility. Rehabilitation services are also provided based on client eligibility, of which income is one of the criteria. City or public facility improvements or expansion projects, and code enforcement are examples of CDBG-funded activities that are targeted to CDBG-eligible areas.

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Chandler's General Plan includes public policies to address barriers to affordable housing, including but not limited to:

- Encourage live/work developments, where appropriate (e.g., Downtown, high capacity transit corridors, regional commercial nodes);
- Provide for a variety of housing choices for all income levels;
- Promote a compatible mix of housing types in in-fill areas;
- Encourage a range of housing types within walking distance of schools and other community facilities (e.g., libraries, transit centers, community centers, health clinics, recreation spaces, and healthy food establishments);
- Address housing needs of fixed-income elderly persons and other special-needs populations;
- Support the aging and disabled population in neighborhoods by continuing to implement programs that assist them in meeting neighborhood maintenance codes;
- Increase capacity for and coordination of affordable housing programs and projects;
- Concentrate on improving housing affordability Citywide;
- Continue to encourage private investment in affordable housing;
- Enforce housing and neighborhood maintenance policies;
- Improve rental housing maintenance to ensure quality neighborhoods;
- Ensure compatible transition between residential areas and incompatible land uses as well as between intensity of land uses (e.g., between employment and residential);
- Improve transition between and continuity of old and new neighborhoods;
- Maintain, and where needed, improve infrastructure as neighborhoods age;
- Create and promote educational outreach and training seminars on housing and neighborhood maintenance;
- Continue to increase the quality of life in neighborhoods by promoting civic engagement;
- Continue to recognize adopted neighborhood and specific area plans that provide further development guidance in targeted areas;

- Foster organization of and training for HOA and traditional non-HOA neighborhoods;
- Continue to provide programs that encourage neighborhood identity and a sense of place; and
- Foster partnerships and collaboration with nonprofits, businesses, and other organizations to support neighborhood and community development.

Discussion

The primary impediment to accomplishing Consolidated Plan goals is the high cost and limited supply of permanent housing. Planned housing and public services activities will address this need to the extent possible with available resources.

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

The City will continue prior city policies/programs and enhance the programs as needed. The growing wealth disparity will continue to push Chandler to find new partnerships and better ways to work together.

Actions planned to address obstacles to meeting underserved needs

The primary obstacles to meeting underserved needs are insufficient funding and rigid regulations. The City allocates both general funds and federal funds, both limited in funding, to nonprofits and City departments to serve the most vulnerable residents in the community. The City works to serve short-term needs while implementing long-term strategies to help the individual or family achieve self-sufficiency. The City works across the continuum from families and individuals in emergency situations working to achieve shelter and food to families and individuals struggling to make a repair on their home. Throughout the continuum, the goal is to achieve stability and reduce the incidence of poverty in the future. The City will continue to seek other funding sources with flexible regulations to meet the needs of the community as the funding is available.

Chandler leverages CDBG and HOME funds with 1.1 million in General Fund resources to support agencies that address the needs of the City's vulnerable residents. The specific program areas that are funded are: 1) Youth, including educational support, health programs, and prevention/interaction activities; 2) Basic Needs, including crisis intervention, temporary assistance, basic needs, and support services focused on employment assistance and adult education; 3) Special Populations, including basic needs, independent living programs, socialization and education services; 4) Transportation Services for low-income Veteran's.

Actions planned to foster and maintain affordable housing

Housing for all incomes, and services for persons experiencing homelessness were identified as top areas of need in the 2019 Community Needs Assessment. Nearly 40% of Chandler rental households are cost burdened, spending over 30% of their income on housing. Over 16% of Chandler rental households are severely cost burdened, spending over half of their income on housing. As a result, the City of Chandler continues to look for ways to maintain affordable housing and expand the inventory as the housing market continues to tighten. The City of Chandler utilizes a combination of CDBG and HOME funding to address and expand affordable housing. The City offers single-family owner-occupied housing rehabilitation to assist Chandler homeowners who are low and moderate income with emergency repairs, minor repairs, ADA modifications and exterior improvements that would not be fixed otherwise. These programs keep homeowners in a safe, affordable home that often they have lived in for years.

The City of Chandler's Community Development staff works closely with the Chandler Public Housing

Authority (PHA) in serving its low- and moderate-income Chandler residents. The Chandler PHA administers the Tenant-Based Rental Assistance (TBRA) program, serving households experiencing homelessness. The Community Development staff provides oversight for homeless outreach and services. Communications are ongoing with the Chandler PHA regarding individuals and families experiencing homelessness, and those who may be eligible for this service.

Actions planned to reduce lead-based paint hazards

To reduce the risk of lead poisoning, information is distributed to participants in City housing programs. The City follows strict HUD guidelines for testing and abatement of lead-based paint and other hazardous substances, and requires compliance from its contractors and subcontractors. Any structure built before 1978 that is proposed for rehabilitation under federal programs is tested for lead-based paint. Notices and requirements regarding testing and removal of lead based paint are provided to program participants, contractors and project sponsors.

In addition, the City follows a multi-pronged approach to reduce lead hazards:

1. Rehabilitation Projects. The City follows strict HUD guidelines for testing and abatement of lead-based paint and other hazardous substances, and requires compliance from its contractors and subcontractors. Any structure built before 1978 that is proposed for rehabilitation under federal programs, is tested for lead-based paint. Notices and requirements regarding testing and removal of lead-based paint are provided to program participants, contractors and project sponsors. The City's service provider has licensed contractors who are available to perform appropriate abatement and/or removal procedures if lead-based paint is present.
2. Housing Choice Voucher: Section 8. The PHA inspects prospective dwellings constructed prior to 1978 that will have a child under the age of six residing therein, for compliance with EPA and HUD Lead Based Paint rules and regulations. The inspection includes visual inspections for chipped, peeling, chalking and deteriorated interior and exterior paint. Clearance testing may be performed after remediation by the property owner, to assure a lead-safe environment.

Actions planned to reduce the number of poverty-level families

The City of Chandler will continue to work collaboratively with nonprofits, the Continuum of Care, and other cities in the valley to address poverty collectively. The City will continue to fund agencies that will alleviate the effects of crisis for individuals who are low and moderate income especially those experiencing homelessness, by providing basic services such as food, clothing, necessary medical care, job training and employment supports, as well as case management services, and also providing short

and long-term housing solutions such as shelter, tenant based rental assistance, and rapid rehousing.

Actions planned to develop institutional structure

The City will continue to participate in the regional Continuum of Care including workgroups and sitting on the Continuum of Care Board, working collaboratively with the East Valley City Managers and assisting with For Our City - Chandler. In addition, the City will continue to develop public/private partnerships to address housing, finance and community development efforts.

Actions planned to enhance coordination between public and private housing and social service agencies

Chandler will continue to work with For Our City to coordinate resources to Chandler's most vulnerable residents. For Our City is a network of faith-based organizations, nonprofits, service organizations, businesses, and the City of Chandler working together in unity and compassion to help the residents of Chandler. Using the For Our City network, Chandler can connect nonprofits, volunteers, and vulnerable individuals together to serve the most effectively.
